

Fiscal Year 2010 Appropriations Requests

Air Drop Mortar Guided Munition for the Army at General Dynamics

Recipient: Army, General Dynamics

Address: 9256 Randolph Road, NE Moses Lake, WA 98837

Amount: \$3 million

Purpose: The U.S. military has stated that it needs a compact, low cost accuracy kit to place on existing mortar and rockets. This funding will be used to develop this technology for the U.S. military.

Beaudry Road Crossing

Recipient: Yakima County

Address: 128 North 2nd Avenue, Yakima, WA 98901

Amount: \$600,000

Purpose: To complete a grade-separated underpass under Beaudry Road to allow children to access educational and athletic facilities without crossing a heavily trafficked road.

Bowers Road Extension

Recipient: Kittitas County

Address: 5411 North Ruby Street, STE 1, Ellensburg, WA 98926

Amount: \$1.304 million

Purpose: To connect Look Road to Interstate 90 and U.S. 97 so that freight traffic can bypass residential neighborhoods in Ellensburg.

Central Washington Hospital Expansion

Recipient: Central Washington Hospital

Address: 1201 South Miller Street, Wenatchee, WA 98807

Amount: \$2 million

Purpose: To expand Central Washington Hospital's medical campus so that the hospital can continue to meet the health care needs of North Central Washington. This region is currently facing a shortage of hospital beds.

Central Washington University Processed Biowaste Facility

Recipient: Central Washington University

Address: 400 East University Way, Ellensburg, WA 98926

Amount: \$1.5 million

Purpose: To investigate the feasibility of operating a boiler at Central Washington University that operates off of biowaste material that can be found in the region.

City of Quincy Industrial Water Re-use Facility

Recipient: City of Quincy

Address: P.O. Box 338, Quincy, Washington 98848

Amount: \$5 million

Purpose: Supports the construction of a facility to capture and reuse industrial cooling water.

City of Rock Island Wastewater System

Recipient: City of Rock Island

Address: P.O. Box 99, Rock Island, WA 98850

Amount: \$5,875,000

Purpose: Supports the construction of a wastewater collection and treatment system.

City of Union Gap Water Main Transmission

Recipient: City of Union Gap

Address: P.O. Box 3008, Union Gap, Washington 98848

Amount: \$2,600,000

Purpose: Supports the replacement of undersized and deteriorated water and sewer mains.

Clover Island Shoreline Stabilization and Revitalization

Recipient: Port of Kennewick

Address: 350 Clover Island Drive, Kennewick, WA 99336

Amount: \$4 million

Purpose: To stabilize the shoreline on Clover Island on the Columbia River and for other waterfront improvements to revitalize this area.

Fort Road Improvements

Recipient: Yakima County

Address: 128 North 2nd Avenue, Yakima, WA 98901

Amount: \$2 million

Purpose: To widen Fort Road outside of Toppenish to improve access to increased business development and government services.

George Sellar Bridge Improvements

Recipient: Washington State Department of Transportation

Address: 310 Maple Parke Avenue Southeast, Olympia, WA 98504

Amount: \$1.5 million

Purpose: To complete improvements to the George Sellar Bridge.

Grant Transit Bus Replacement

Recipient: Grant Transit Authority

Address: 9 Basin Street Southwest, Suite 200, Ephrata, WA 98823

Amount: \$350,000

Purpose: To replace old buses and ensure that Grant Transit can continue to provide current services.

Kadlec Medical Center Pediatric Unit

Recipient: Kadlec Medical Center

Address: 888 Swift Boulevard, Richland, WA 99352

Amount: \$1.5 million

Purpose: To continue construction of a new pediatric unit and expand the Neonatal Intensive Care Unit.

Lewis Street Overpass

Recipient: City of Pasco

Address: 525 North Third Avenue, Pasco, WA 99301

Amount: \$1.2 million

Purpose: To replace the Lewis Street railroad undercrossing with a four-lane overpass to improve the safety of motorists and pedestrians, while improving freight mobility and response times for emergency services.

Link Transit Bus Replacement

Recipient: Link Transit

Address: 2700 Euclid Avenue, Wenatchee, WA 98801

Amount: \$1.04 million

Purpose: To replace old buses and ensure that Link Transit can continue to provide current services.

National Guard Sustainment Training and Evaluation Program (HAMMER)

Recipient: Army National Guard, HAMMER

Address: 2890 Horn Rapids Road, Richland, WA 99354

Amount: \$1.5 million

Purpose: To ensure that the Army National Guard units receive the training needed to respond to a weapons of mass destruction attack.

Pacific Northwest University of Health Sciences

Recipient: Pacific Northwest University of Health Sciences

Address: 111 University Parkway, Suite 202, Yakima, WA 98901

Amount: \$1 million

Purpose: To help the new College of Allied Health and Sciences and Postgraduate Studies develop and implement new programs to teach medical specialties where there are doctor shortages in the region.

Port of Sunnyside Wetland Enhancement Project

Recipient: Port of Sunnyside

Address: P.O. Box 329, Sunnyside, Washington 98944

Amount: \$1 million

Purpose: Supports the development of a wetland habitat using wastewater discharge.

Red Mountain I-82 Interchange

Recipient: Benton County

Address: 620 Market Street, Prosser, WA 99350

Amount: \$5 million

Purpose: To provide freeway access to West Richland and the Red Mountain area, which is critical to the continued safety of the community and economic growth of the region.

SR-35 Columbia River Crossing

Recipient: Southwest Washington Regional Transportation Council

Address: 1300 Franklin Street, Floor 4, Vancouver, WA 98666

Amount: \$1 million

Purpose: To complete final studies so that construction can begin to replace an 85-year old, heavily used bridge that connects White Salmon, Washington and Hood River Oregon.

Stirling Tactical Cogeneration System for the Army at Infinia in Kennewick

Recipient: Army, Infinia

Address: 6811 West Okanogan Pl, Kennewick, WA 99336

Amount: \$4 million

Purpose: To provide the Army with a small, efficient, reliable way to equip American troops with both electricity and hot water.

Yakima County Gang Initiative

Recipient: Yakima County

Address: 128 North 2nd Street, Yakima WA 98901

Amount: \$400,000

Purpose: To develop and implement a county-wide comprehensive response to the serious and worsening youth gang problem in the region, including prevention, intervention, and suppression programs.

Yakima County Public Safety

Recipient: City of Yakima

Address: 129 North 2nd Street, Yakima, WA 98901

Amount: \$2 million

Purpose: To develop a system that allows all the public safety agencies in Yakima County to integrate their data communications and records systems to allow for a more coordinated response for crime.

Yakima Grade Separation

Recipient: City of Yakima

Address: 129 North Second Street, Yakima, WA 98901

Amount: \$5 million

Purpose: To construct vehicle underpasses where the rail line cuts through the central business district in Yakima, to improve traffic flow and provide quicker emergency response access for East and North Yakima.
